In the event that the terms and conditions of this Agreement are not strictly enforced by the County, such non-enforcement shall not act as or be deemed to act as a waiver or modification of this Agreement, nor shall such non-enforcement prevent the County from enforcing each and every term of this Agreement thereafter.

Section 15. SEVERABILITY

If any provision of this Agreement is held invalid by a court of law, the remainder of this Agreement shall not be affected thereby if such remainder would then continue to conform to the laws of the State of New York.

including, but not limited to trademark and/or service mark rights, copyrights, publication rights, distribution rights, rights of reproduction, and royalties.

b. No information relative to this Agreement shall be released by the Contractor or its employees for publication, advertising or for any other purpose without the prior written approval of the County. The Contractor hereby acknowledges that programs described herein are supported by this Agreement by the County and the Contractor agrees to state this fact in any and all publicity, publications and/or public information releases.

Section 17. WAGE AND HOURS PROVISIONS

If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Article 3**Procurement Officers****(Authorized Authority Contact Persons)**

The Members of the Authority hereby delegate to the Administrative Director the power to select a "Procurement Officer" for each and every Governmental Procurement (collectively, the "Procurement Officers"). The RFI must be used as a means to collect information upon which to base a decision by the Authority to proceed with a Governmental Procurement and not as a tool employed to award a Procurement Contract.

**Article 5
Other Prohibited Offerer Activities**

In addition to utilizing the designated Procurement Officer for all Contacts with the Authority, the following additional rules shall apply to all Offerers:

The Authority shall keep a written or electronic copy of the Procurement Record for a period of six years from the end of the Restricted Period for each Governmental Procurement.

Article 7 Required Disclosure

In general, all Solicitation Materials shall incorporate a summary of the policy and prohibitions of the Statutes as well as include copies of rules, regulations and the Authority’s guidelines and procedures regarding Permissible Contacts during a Governmental Procurement. The following provisions offer specific methods for satisfying such requirements.

1. In all Authority Solicitation Materials, the following statement shall appear:

Pursuant to State Finance Law §§139-j and 139-k, this solicitation [or other applicable identifier, i.e. “Invitation for Bid” or “Request for Proposal,” etc.] includes and imposes certain restrictions on communications between a Governmental Entity (including the Authority) and an Offerer during the procurement process. An Offerer/bidder is restricted from making contacts from the earliest notice of intent to solicit offers through final award and approval of the Procurement Contract by the Authority and, if applicable, the Office of the State Comptroller [the Authority may delete the reference to Comptroller approval when not applicable] (“restricted period”), to other than the Authority’s Procurement Officer unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). The Authority’s Procurement Officer(s) for this Governmental Procurement, as of the date hereof, is identified on the first page of this solicitation [or wherever in the bid documents it is identified]. Authority employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four (4) year period, the Offerer/bidder is debarred from obtaining government Procurement Contracts. Further information about these requirements may be obtained from the Procurement Officer.

2. In all Authority Procurement Contracts, the following provision shall appear:

The Authority reserves the right to terminate this contract in the event it is found that the certification filed by the Offerer in accordance with State Finance Law §139-k (5) was intentionally false or intentionally incomplete. Upon such finding, the Authority may exercise its termination right by providing written notification to the Offerer in accordance with the written notice terms of this contract.”

In each response to any Solicitation Materials, the Offerer shall complete the following in a timely and accurate fashion:

- (a) “Offerer Affirmation of Understanding of and Agreement pursuant to State Finance Law §139-j(3) and 139-j (6)(b)” in the manner discussed in Appendix “A” hereto;

- (b) “ Offerer Certification of Compliance with State Finance Law § 139-k (5)” in the manner discussed in Appendix “B” hereto; and
- (c) “Offerer Disclosure of Prior Non-Responsibility Determinations” in the form provided as Appendix “C” hereto.

The failure of an Offerer to comply with such disclosure requirements will subject the Offerer to the sanctions described in Article 10 hereof, as well as any other penalties permitted by law.

Article 8
Requirements of the authority prior to Awarding Procurement Contracts

Prior to conducting an award of a Procurement Contract, the Members of the Authority shall:

Make a final determination of responsibility of the proposed awardee in accordance with the Authority’s existing procedures;

Make a final determination of responsibility of the proposed awardee that measures compliance with the State Finance law provisions regarding (i) Permissible Contacts and (ii) disclosure of all information required in any Solicitation Materials (including, but not limited to, prior findings of non-responsibility by a Governmental Entity); and

Make a final determination that the procurement process for such proposed award was free from any conduct prohibited under the Public Officers Law as well as the applicable provisions of the Authority’s Code of Ethics and/or Conflict of Interest Policies.

Article 9
Alleged Violation; Procedure

1. Any Member, officer or employee of the Authority who becomes aware that an Offerer has violated this Policy or the Statutes shall:

- (a) Immediately notify the County Attorney, who shall immediately investigate the alleged violation(s).
- (b) If, after commencing the investigation, the County Attorney finds that there is sufficient cause to believe the alleged violation has occurred, s/he shall give the alleged violating Offerer reasonable notice (in the form of a certified letter, return receipt requested) informing him/her of the allegations and providing him/her with an opportunity to be heard regarding the allegations.
- (c) If, following the opportunity to be heard, the County Attorney determines that the Offerer has knowingly and willfully violated this Policy, the Statutes or any other applicable procurement disclosure standards affecting Members, Officers or employees of the Authority, the Offerer shall be subject to sanctions described in Article 10 hereof.

2. The County Attorney shall report to the Investigating Officer of another Governmental Entity any violation of the statutes by an Offerer or by such other Governmental Entity’s employees. The County Attorney shall be the person designated to receive similar communications coming from another Governmental Entity.

Article 10
Sanctions

1. Upon a finding by the County Attorney that an Offerer has knowingly and willfully violated this Policy, the Statutes or any other applicable procurement disclosure standards affecting Members, officers or employees of the Authority, the Offerer shall be subject to the following sanctions, as well as any other penalty permitted by law:

(a) The Offerer shall be deemed “non-responsible” and such Offerer (along with its subsidiaries and any other related or successor entity) shall not be awarded the Procurement Contract, unless the Authority finds that the following special circumstances exist:

(i) The award to the offending Offerer is necessary to protect public property or public health or safety; and

(ii) The offending Offerer is the only source capable of supplying the required Article of Procurement within the necessary timeframe.

(b) In addition, the County Attorney shall notify the State Office of General Services of the finding of non-responsibility².

2. Upon a finding that a Member, officer or employee of the Authority has knowingly and willfully violated this Policy, the Statutes or any other applicable procurement disclosure standards affecting Members, officers or employees of the Authority, the County Attorney shall immediately notify the Administrative Director of the Authority or the Chair of the Board of the Authority.

Distribution of This Policy

This Policy shall be distributed annually to the Authority’s Members and officers. It shall also be distributed annually to those employees that have the ability to affect any Procurement. It shall also be distributed to each new Member, officer and applicable employee as soon as practicable following commencement of such position.

-----END OF PAGE-----

² A second finding of non-responsibility under the Statutes within four (4) years will render the Offerer (along with its subsidiaries and any other related or successor entities) ineligible to submit a proposal on or be awarded any Procurement Contract for four (4) years from the date of the second final determination of non-responsibility, unless the special circumstances outlined in Section (a) of this Article 10 exist.
